

Name: Tushar N Shah (M) **DOB:** 7/26/1966 **Chart No:** 021772918
Diagnosis: **Date:**

Employee Health Compliance Documentation Form

**These compliance items are based on UK HealthCare Enterprise Policy A03-005.
 Protect yourself, protect your patients, protect your family.**

New and Existing Employees/Volunteers/Contracted Personnel should **NOT** be working/located in a UK patient care facility until all compliance items are marked as either "compliant" or "compliance in progress" by Employee Health. The supervisor must make decisions regarding work status and assignment location while awaiting compliance items to be marked as "compliant" by Employee Health. Employees who are **not** compliant with Respirator Fit Testing may continue to work, but **CANNOT** enter an area where a respirator is necessary unless he/she is using a Powered Air Purifying Respirator (PAPR).

Date of Compliance visit: July 02, 2015 Birth Month: July. Department: Hospital. Position/title: Fellow - Cardiology. Supervisor: GME.
 Worker Category: Healthcare Worker.
