To Dr. Lederer:

Please accept this letter of recommendation for Dr. Tushar Shah in his application for employment in your organization.

I have known Dr. Shah for 3 years and worked with him closely for 1 of those years. Dr. Shah is a qualified cardiomyopathy specialist whose dedication to the care of cardiomyopathic patients is admirable.

Dr. Shah takes his responsibility as a professional in the cardiology field seriously and is committed to high quality care, surgical education, and medical volunteerism.

Dr. Shah maintains and exercises the highest principles in ethical practice. He is a model cardiomyopathy specialist for those he trains as well as his colleagues.

Your organization will be fortunate to have Dr. Tushar Shah join as a cardiologist at the University of Louisville.

Sincerely,
