

Cardiovascular Disease

Longitudinal Knowledge Assessment Progress Report

YOUR TIMELINE

The enlarged blue circle indicates your location in your current five-year Longitudinal Knowledge Assessment (LKA®) cycle. At the end of this cycle you will receive a Pass/Fail decision.

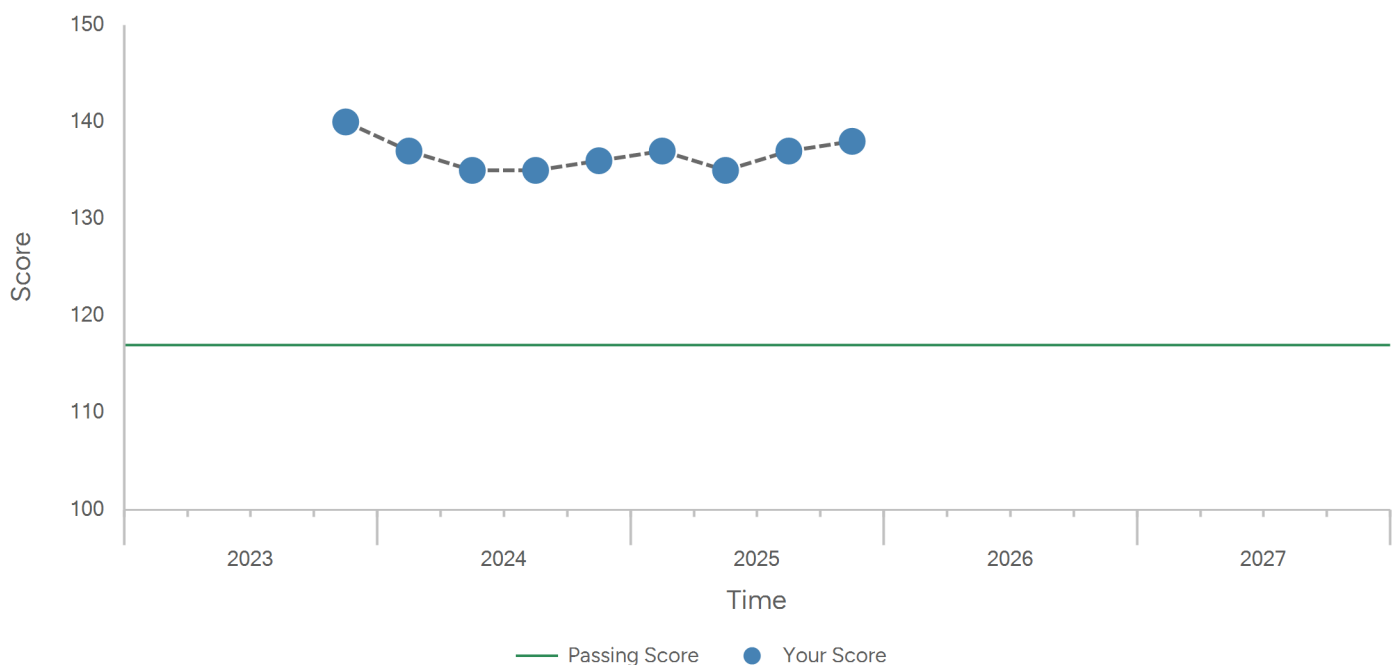

YOUR PERFORMANCE

Your Performance provides **Your Score** (your current overall score), along with the **Passing Score**¹ (the current minimum score needed to Pass at the end of the 5-year cycle) for this assessment. All scores for this assessment are reported on a standardized score scale.

Your Score is based on your performance thus far throughout your 5-year cycle, and is updated quarterly to incorporate your answers to each new quarter's questions. If you notice Your Score is approaching or below the Passing Score, then spending additional time studying the content is recommended.

[Learn more](#) about the scoring methodology, how ABIM determines passing scores, and the standardized score scale.

Passing Score	117	Your Score	138
---------------	-----	------------	-----

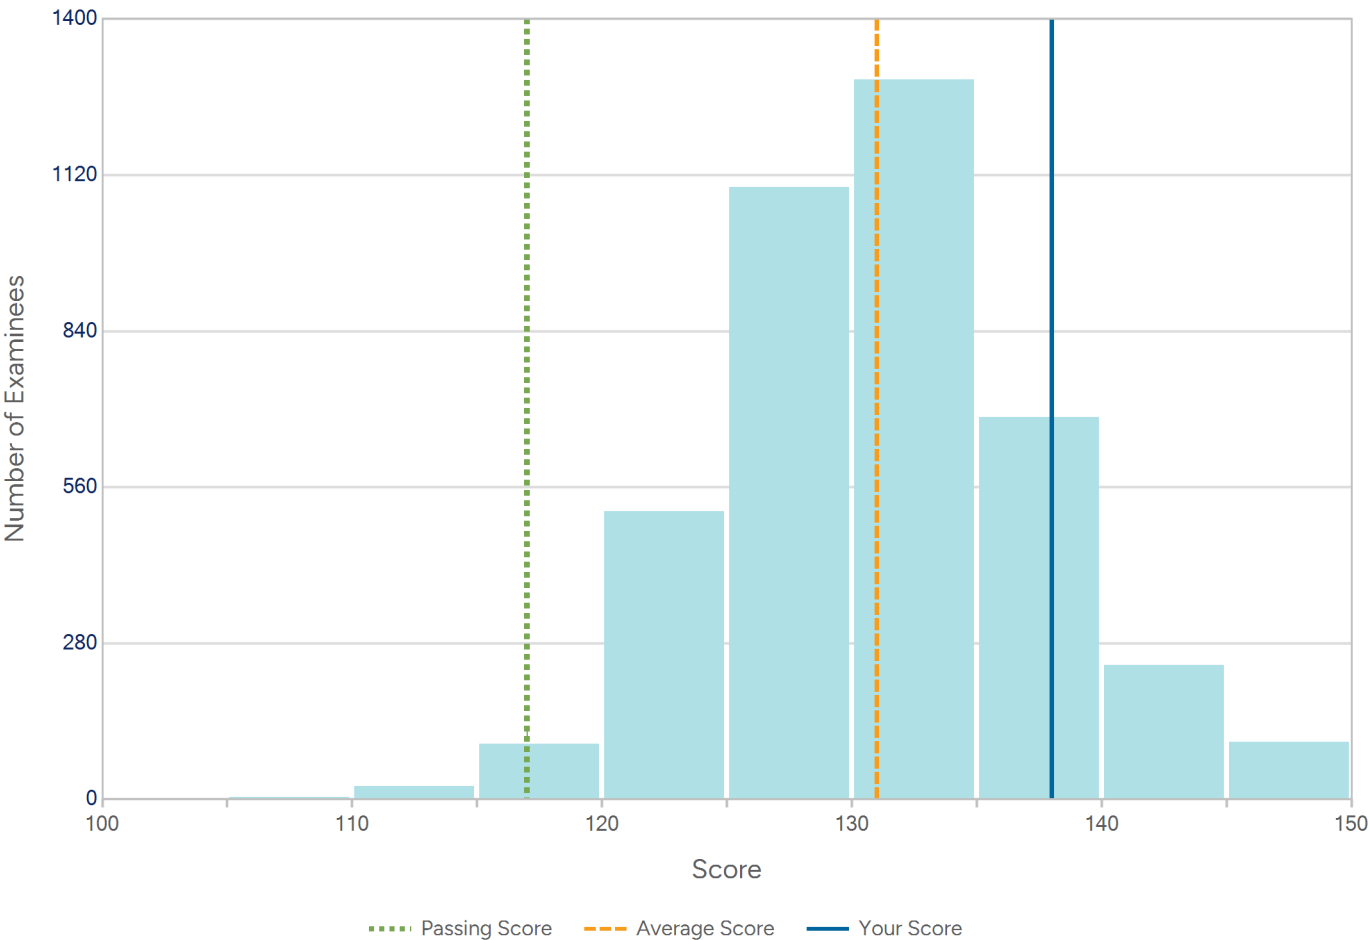

GROUP PERFORMANCE

Group Performance displays the current distribution of physicians' scores on this assessment. **Your Score** is your current overall score. The **Average Score** is the average score across all physicians who were eligible to receive a progress report during this quarter. The **Passing Score**¹, also referred to as the Performance Standard, is the current minimum score needed to pass this assessment at the end of the 5-year cycle.

Passing Score 117

Average Score 131

Your Score 138

This section provides an overview of your performance broken down by the primary medical content areas covered on this assessment. Each circle represents a question you answered in a specific content area **within the past year**.

	No Confidence Data	Not Confident	Confident
Correct			
Incorrect			

The content of each of these questions is available for you to review on your **Question History page** of the LKA Platform.
