Official Georgia Composite Medical Board License Card

This is your new Georgia Composite Medical Board license. Please review it immediately for accuracy to ensure your **name, address, and expiration date** are correct. If there are any errors or corrections needed, notify the Board immediately. Additional copies of this license can be accessed via the Board's online portal at <https://gcmb.mylicense.com/eGov>.

PLEASE NOTE YOUR EXPIRATION DATE. YOU MAY NOT PRACTICE AFTER YOUR LICENSE HAS EXPIRED.

It is important to keep your user ID updated with a current email address to receive important information from the Board. You are required by law to keep your address current with the Board, and you can change your address through the Board's online portal. You can also renew the license through the online portal about 60 days before the expiration date.

The Board offers a frameable certificate of your Georgia Medical Board license. You can order these wall certificates online by logging in at <https://gcmb.mylicense.com/eGov>. Each physician certificate is \$50; each non-physician certificate is \$25. Please allow up to 6 weeks for delivery.

Georgia Prescription Drug Monitoring Program (PDMP)

The Georgia Prescription Drug Monitoring Program (PDMP) is an electronic database used to monitor the prescribing and dispensing of controlled substances. State law requires individuals with a Georgia DEA number to register in the PDMP within 30 days of receiving a DEA number. Practitioners required to register include physicians, physician assistants, nurses with prescriptive authority, medical residents and interns with prescriptive authority.

To register, please go to <https://georgia.pmpaware.net/login>.

For more information on the PDMP please go to <https://dph.georgia.gov/pdmp>.
